

Vision Rider #17 High Option

The following rider is an addendum to the “Subscriber Contract” which provides for the provision of all basic health services.

Benefits

The “Benefits” section of the Subscriber Contract is amended as follows:

This rider entitles the Member to an eye examination once every twelve (12) months, with the benefit period measured from the date of service. Exams are defined by statutory “minimum exam” standards.

In addition, the member is entitled to a \$150.00 (retail) total eyewear allowance once every twenty-four (24) months, with the benefit period measured from the date of service.

Eyewear consists of a frame and/or lens combination or contact lenses. If the Member elects to purchase contact lenses in lieu of eyeglasses, the Member is required to pay the usual and customary charge for professional services beyond the standard eye exam for testing specific to contact lenses and evaluation.

Co-payments

There is no co-payment for vision services.

Limitations and Exclusions

1. All services must be obtained from a licensed Optometrist participating in the Atlantis Health Plan network.
2. All of the terms, conditions and limitations of your Atlantis Health Plan Subscriber Contract to which this rider is attached also apply to this rider, except where specifically changed by this rider.
