

# CLASSIC PLUS

## Open Access POS

## Sensible Healthcare at a Sensible Price

An Atlantis Classic Plus plan allows you to maximize your freedom of choice. You have the flexibility to receive services from a participating provider at predictable co-payments or choose a non-participating provider at a higher out-of-pocket expense.

Our Classic Plus plans allow you direct access to specialists within the Atlantis Health Plan network with no referrals necessary. With a growing network of physicians and hospitals, you can sleep peacefully knowing you and your family have access to an impressive network of local physicians and hospitals within the Atlantis Health Plan network.

## Benefits of Choosing Classic Plus

- Freedom to choose between a participating and non-participating provider
- All plans are open access – no referrals required to see a specialist
- Access to over 30,000 in-network physician locations and many of NYC's private hospitals
- Predictable co-payments when you stay within the Atlantis network
- No in-network deductible or co-insurance
- 24/7 Doctor hotline

For additional information on Atlantis Health Plan Classic Plus or other plan options, contact your sales representative or visit us at [www.atlantishp.com](http://www.atlantishp.com).
